

Assignment I - 5-10-2026

Suriya M - 212223110055

Task-1:

Code:

```
import time
from selenium import webdriver
from selenium.webdriver.common.by import By
from selenium.webdriver.common.keys import Keys

driver = webdriver.Chrome()

try:
    driver.maximize_window()
    driver.get("https://images.google.com")

    time.sleep(3)

    search_box = driver.find_element(By.NAME, "q")
    search_box.send_keys("actor Suriya")
    search_box.send_keys(Keys.ENTER)

    time.sleep(5)

    input("Press Enter to close Chrome...")

finally:
    driver.quit()
```

Output:

Task 2

Code:

```
import time
